

Cabinet in Canada on Shaky Status

(Continued from Page 1)
The cabinet in Ottawa is in a shaky position. The Conservative government of Lester B. Pearson is facing a vote of confidence in the House of Commons on Tuesday. The vote is expected to be a close one. The government has been accused of being too soft on the issue of nuclear power. The opposition parties are demanding a stronger stance. The government is expected to win the vote, but the margin is expected to be narrow.

Witnesses Warned of Armageddon

BURLY, Feb. 4.—Jehovah's witnesses were told here Sunday that nuclear warfare, atomic explosion, and other threats to future life are part of the Bible's prophecy of Armageddon. The Bible, they said, is the only book that tells of the future of the world and of the fate of the human race.

Six hundred witnesses representing 15 congregations of Jehovah's witnesses met at the home of Mrs. J. W. Davis, Northwest district supervisor, for the three-day Bible training course in Burlingame.

"Armageddon is the final battle of the world," said the speaker, "and it will be fought in the year 1914. It is the only battle that will decide the fate of the human race."

It said many prominent people are coming to the attention of the world's leaders. The speaker said that the Bible is the only book that tells of the future of the world and of the fate of the human race.

To be among the survivors, said the speaker, one must prove that he is a true Christian. The speaker said that the Bible is the only book that tells of the future of the world and of the fate of the human race.

Measure on
Solon Pay
To Be Heard

BALT LAKE CITY, Feb. 4.—A measure for state officials—a bill to govern on a salary—will be heard by the state legislature today.

The measure, which would set a uniform tax on cars, trucks and other motor vehicles, was introduced by Sen. J. W. Davis.

Woman Driver
Has Close Call

BURLY, Feb. 4.—Mrs. Dolores Miller, 50, Burlingame, narrowly escaped injury when she reversed her 1937 Chevrolet into an embankment to escape running off the canyon wall at 6:20 p.m. Saturday three miles north of Burlingame.

Mrs. Miller was traveling down the Clear Lake grade and she rounded a curve the lights of an oncoming truck temporarily blinded her. She turned her car around the side of the road, striking a guard railing and to find going over the canyon wall.

She reversed her car across the highway, running into the embankment. Damages were estimated at \$500 by State Patrolman Richard Burns and Deputy Sheriff Curtis Pryor.

YOUR BIRTHDAY and HOROSCOPE

MONDAY, Feb. 4.—Born to you today, you may seem to others an ordinary person. In one sense this evaluation is correct. For you are not one to wear your heart on your sleeve and you are inclined to be somewhat misanthropic. You are of the type of person who is not so much of a person as a person.

You have been gifted with a wise and careful business head and, although you are basically an emotional person, you are impractically direct and cannot easily be taken advantage of.

For one of your inner temperaments, you have unusual patience in practical matters and have discovered the secret of biding your time until the proper moment for action occurs.

You have a need for recognition and that seems to require something more than the adulation of your family. It is this need that gives you the drive to achieve.

Rockefeller
Steps up His
GOP Attacks

ALBANY, N. Y., Feb. 4.—Gov. Nelson Rockefeller stepped up the intensity of his attacks on President Kennedy, apparently feeling that the time has come when he must make his position clear.

In a week-end visit to the governor, Rockefeller said that since his reelection, Rockefeller has been in the administration with "damned failure" in such key areas as improving the national economy and furthering civil rights.

Big spending is a Democratic tradition in which Kennedy is indulging, Rockefeller told a 1000-a-plate dinner of 1000 New York Republicans.

Earlier last week, Rockefeller criticized Kennedy for allegedly withholding information from the public on the Cuban situation and for a decision to halt underground tunnels leading to help disarmament talks with the Soviet Union.

Rockefeller said in Newark that a news conference by Secretary of State Dean Rusk and resumption of the underground tunnels followed his comments.

The governor said he was in New Jersey to talk over Republican party affairs with state leaders and to address the fundraising dinner, but did not plan to seek support for the 1964 nomination.

Grange to Hold
Flag Ceremony

KING HILL, Feb. 4.—The King Hill Grange will dedicate an American flag obtained from Gen. Len Jordan. The flag was flown over the U. S. Capitol building in Washington, D. C.

Mr. and Mrs. Melvin Weisberg and Mr. and Mrs. Clifford Patton will be hosts at the flag dedication at the Grange meeting Feb. 12.

Brown Asks For Reduced Penal Funds

SACRAMENTO, Feb. 4.—Gov. Edmund G. Brown today asked the legislature for just over 100 million dollars during fiscal 1963-64 for the state department of corrections and youth authority.

Because of a big reduction in capital outlay in the corrections department, the request was some 10.5 million dollars below last year's.

The governor requested a 10 percent reduction in the department of corrections and youth authority.

The anticipated increase in youth authority expenditures of 5.2 per cent, contrasted with an expected rise in the number of inmates of only 1.9 per cent.

Player Catches Nicklaus To Force Palm Springs Classic Into Playoff

PALM SPRINGS, Calif., Feb. 4 (AP)—South Africa's Gary Player, as tenacious as a bulldog, overhauled Jack Nicklaus Sunday, coming from five strokes behind in the fifth and final round, and forced the U. S. Open champion into an 18-hole playoff on Monday in the \$50,000 Palm Springs golf classic. In a finish that was as torrid as the 90-degree weather, it was Nicklaus who actually had to come from behind on the last hole of this 90-hole attraction to get the tie.

The Bruins defeated the Cougars 42-21. The local squad took their first weekend meeting in Boise Friday night and Nampa their Saturday night. (Times-News photo)

Tom Gormley Leads Northside Scoring

Tom Gormley of the Cumus County Musters leads the scoring in the Northside conference while the Musters and co-holders of first place Richfield Tigers share other statistical honors this week. Gormley has 180 points in league play and registers a 22-point average per outing. Jim O'Donnell, Bellevue's chief pointer-getter, is close behind with 175 points.

Knicks End Lose Streak 122-95

NEW YORK, Feb. 4 (AP)—The New York Knicks ended a seven-game losing streak Sunday by defeating the Los Angeles Lakers 122-95 in a National Basketball association game in Madison square garden.

The Lakers' Jerry West, an all-league guard, pulled a hamstring muscle in his left leg last night, ending the Knicks' losing streak with 23 points.

The injured Gene Cooley and newly-acquired Bob McDermott shared the center position for the New Yorkers, who went off to a lead early in the first quarter and led the Orioles 12-0 in the first quarter.

Tom Gormley of the Knicks led the scorers with 23 points.

Pappas Signs

BALTIMORE, Feb. 4 (AP)—The Baltimore Orioles announced the signing of pitcher Milt Pappas Sunday. The 25-year-old right-hander posted a 15-10 record last year, leading the Orioles staff in victories. Pappas has won 63 games for Baltimore, more than any other pitcher in the club's nine-year history.

RECORD BROKEN

MCGOWAN, Feb. 4 (AP)—Novist speed skater Oleg Shabarov broke the world over-all point record Sunday, with a total of 182.703. It was reported by the Soviet news agency Tass.

JUNIATION SHOWS on the face of Gary Player as he lets out a whoop after chipping in from off the fifth green for a birdie 4 during Sunday's final round of the Palm Springs golf classic. He was trying to overtake Jack Nicklaus who started off the day with a five-stroke edge, and he did it to force the "classic" into a playoff with Nicklaus. (AP Wirephoto)

Griffith Scores TKO Over Christensen

COPENHAGEN, Feb. 4 (AP)—Emile Griffith, world middleweight champion, scored a technical knockout over Denmark's Chris Christensen in the ninth round of a scheduled 15-round bout for the Virgin Islands' share of the junior middleweight title. The powerful Griffith, who now lives in New York, smashed the Dane with a pile driving left jab and rights to end the bout before a crowd of 5,500 in Forum Hall. Referee Robert Sedel of Switzerland awarded the bout to Griffith as Christensen slumped helplessly against the ropes in a fight that was one-sided all the way.

Sedel stopped it at 1 minute, 30 seconds of the ninth after Christensen had been down for two counts, one of nine and one of eight. Christensen is a former European welterweight and middleweight champ. Griffith weighed 152 pounds, the Dane 151.

Griffith's world welterweight crown was not at stake and his claim to the "junior middleweight" title is disputed. He is recognized only by Austria, while the World Boxing association recognizes Denny Meyer of Poland, Ore., as junior middleweight champion.

Griffith, who used a fierce left hand and followed it up with stunning rights to the head, operated at half steam throughout the fight. But even then, he won every round.

In the first round Griffith scored as he pleased. Every time the Dane landed a punch, Griffith immediately stormed back and rocked Christensen with a barrage of punches.

Christensen went down for a count of eight in the third round after taking a jabbing left right to the head.

It was Griffith's 15th birthday, and he observed it in style. He had Christensen groggy again in the fifth round with a big swinging right to the chin.

In the sixth Griffith was wanted for coming in with his head too low. At the end of the seventh, Christensen's face was bloodied as Griffith stalked him round the ring.

"I just plain fell asleep on that one," he said. "I had the easiest time of the world. I didn't know I was in the world. I was just a kid and I went seven feet past the cup and missed it coming back."

Nicklaus, playing directly behind Player, also bogeyed the hole.

Player, finishing just ahead of Nicklaus, had birdied the 18th with a 3-foot putt and Nicklaus had to duplicate the birdie to pull even.

As thousands jammed around the picturesque, rock-bound 18th, Nicklaus cut loose with a tremendous drive and his iron shot reached the green.

Nicklaus went for an eagle 3, which would have won the \$2,000 winner's purse, narrowly missed and then was confronted with a 3-foot putt back to the hole.

It is a tricky green, but Nicklaus holed out.

The setting was the 8,700-yard, par-36-35-71 Indian Wells country club course.

Player finished with a 67 and a total score of 245 and Nicklaus had 72 for the same total.

Tommy Boll-fired a 66 and finished one stroke behind the co-leaders. Tied at 347 were Gardner Dickinson, with a last-round 68, and Gene Littler, with a 64, the lowest round of the five days play.

Arnold Palmer, who had won this classic twice in his brief, four-year history, got his second straight tie round after an unimpressive beginning Wednesday. He had a 67 for 349 and a tie with Jack Nick, who had 67.

The 23-year-old Nicklaus, who apparently was the victim all day of the heat and hounding his shots, had what looked like an unimpressive advantage with his five-stroke lead over Player starting the week.

But real disaster set in on the ninth hole, where Nicklaus took a double-bogey 6 and Player got a birdie 3.

Nicklaus hit into a sand trap, dug the shot trying to get out, and finally wound up in disgust with the bogey 6 and his precarious advantage over Player reduced to two strokes.

Player caught Nicklaus on the 18th hole, and so did the surprising Bolt, as Nicklaus again visited a trap and had a hard time getting out and down.

The veteran Bolt missed a short putt for a birdie on 17 and then almost got back into the struggle when he barely missed an eagle on 18.

The birdie was not good enough at this critical stage for a dramatic reversal.

Nicklaus said: "I guess I didn't know how to act. I played too conservatively. I know that."

The good-natured youngster then laughed and said: "Gary told me last night that he was going to shoot a 67. I said, 'okay,' but I didn't think I was going to wind up with a 72 myself."

Nicklaus, who had a "big" trouble playing out of the sand, said he was using a new wedge. "It's just been using it three weeks and it seemed to work okay until today," he said. "Maybe the wedge was a little heavier here, I don't know."

Player joined the news conference with Nicklaus after the matches, and his first act was to apologise to Stan Wood, who is promoting a pro-amateur tournament Monday at Edlin City, Calif.

Gary had promised to play, but "I'm very sorry," Player said, "but I'm afraid I'll have to cancel. I'm truly very sorry."

When asked if he had ever won a playoff, Player said: "I've been in eight playoffs all over the world and never won one."

One newsmen suggested, "You've got to start winning one some time."

Player answered, smiling and referring to Nicklaus: "Well, you know this is not the easiest guy in the world to engage in a playoff."

He continued: "I played far better the last two days and scored for worse. I putted the best today that I have in the entire tournament."

Player said he suffered a mental blackout on the long 18th hole when he three-putted from 30 feet and went behind Nicklaus by one.

"I just plain fell asleep on that one," he said. "I had the easiest time of the world. I didn't know I was in the world. I was just a kid and I went seven feet past the cup and missed it coming back."
